Rev. Eduardo Robles Gil, LC

With this letter I have the pleasure of sending you the Decree with which this Dicastery has established the Regnum Christi Federation according to canon 582 of the Code of Canon Law, in response to the request you jointly presented here this past December 6th.

Attached is the stamped copy of the Statutes, which was deemed appropriate to approve *ad experimentum* for five years, during which you will have the opportunity to verify if the norms are adequate and, if appropriate, propose needed modifications.

Expressing the hope that the new structure of communion will contribute to promoting and deepening the common charism and to encouraging collaboration in view of the mission entrusted to you by the Church, and invoking on all of you the blessing of the risen Lord, I take this opportunity to greet you cordially, wishing you peace and good.

+ José Rodríguez Carballo, OFM
Archbishop Secretary
